

Don't get caught in the dark...

SAFETY FLASH COMBO FLASHLIGHT & DVR

A three-in-one solution; the RCC-1000 operates as a flashlight, a still photo camera and a hand-held video recorder.

Let us light your way to safety with this new technology!

On the road or at your destination, you may encounter an incident or environment that merits a closer look - and maybe even a permanent record. In such instances, you may find that the RCC-1000's features are of valuable benefit to you.

This personal digital video recorder is a 3-in-1 tool.
